FAMILY SELF-SUFFICIENCY NEWSLETTER
APRIL — JUNE 2016

From the Office

Spring season is here, and what a great season to set new goals!

Here are some important notices:

- The Program Coordinating Committee (PCC) is looking for a representative from the Family Self-Sufficiency program. If you are interested in sitting on the PCC, please contact me.

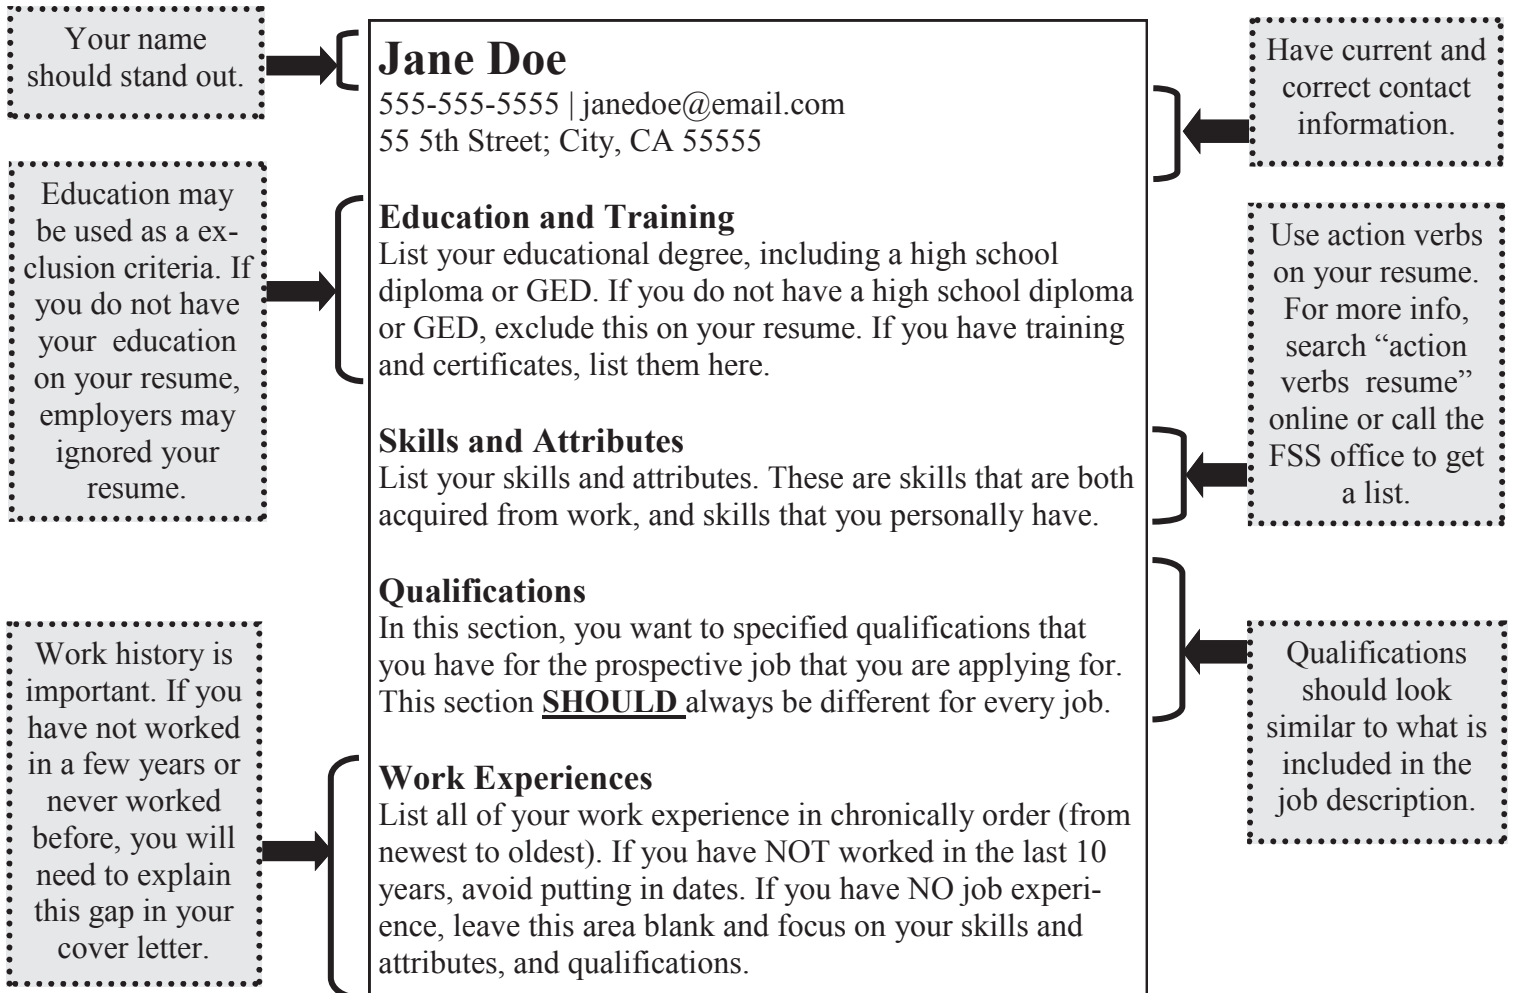

- Check your email for resources and job opportunities! If you do **not** have an email, call me.
- If you need assistance with your resume, cover letter, references, or job application, please contact me.
- You **must** submit your quarterly reports, and for those who are not working or in school, you **must** submit your job search logs.

For more info, 530-895-4474 ext. 234.

“Nothing can stop people with the right mental attitude from achieving their goals; nothing on earth can help the people with the wrong attitude.”

Parts of a **SUCCESSFUL** Resume

Community Corner

Computers for Classroom (CFC) | www.computersforclassrooms.org

With a home computer/laptop, you can update your resume at your own leisure. For small business owners, you may use your computer/laptop to operate your business.

You may purchase a computer or laptop at a reduced price or you may get a computer by volunteering 50 hours with CFC. If you qualified, CFC will provide a free computer checkup and provide an unbiased evaluation and estimate (if you already own a computer at home that is not working properly).

Gas Budget

- Save on other areas of household budget to afford the gas needed for work.
- Track low gas prices. For example, search lowest gas prices from www.gasbuddy.com—available online or as an app for smart phones. However, if the lowest gas is across town, reconsider the gas you will used.
- Combined daily errands and shopping into one weekly trip. Keep a list on your fridge of errands and shopping needed for the week.
- Carpool when possible.
- Walk, bike, or use public transportation.
- Fill up your gas tank when gas prices are low (even if your tank is not empty).
