Memo

To: BCAHDC Board of Directors

From: Larry Guanzon, Executive Director

Taylor Gonzalez, Project Manager

Subject: BCAHDC Properties – Status Report

This memo details the status of the twenty-eight LIHTC Partnerships in which BCAHDC is Managing General Partner, including:

- Fourteen (14) properties leased and under management,
- Six (6) properties with construction completed are leasing,
- Four (4) developments under construction,
- Four (4) developments seeking financing to complete their funding packages.

In Service:

1996 - Walker Commons Apartments, Chico (56 units, LIHTC, Senior & Disabled, MGP: BCAHDC, PM: AWI) – The property is 100% occupied as of November 1st. There are two (2) thirty (30) day notices to vacate. Residents and staff have continued to partner to create monthly activities supporting all residents. YTD income is higher than budget by approximately \$52,050 with overall expenses lower than anticipated by \$65,566, bringing the property's Net Profit to \$117,617 more than budget, at \$138,658. Total Property Reserves balance is \$674,675.07. Bids are being collected for elimination of trip hazards, exterior painting of fading siding and gutters/downspout replacement. Tree Trimming & Path-Lighting are also being planned. AWI's monthly narrative shows photos of the October Halloween social event! The property is subject to repositioning, involving refinance, capital improvements and replacements. Gutters, downspouts and facia boards, windows, siding, and PTAC units need attention. The property generates significant cash, which will help with anticipated renovations. Please find the AWI monthly owners report following.

Walker Commons Apartments, Buttonwillow Lane, Chico

2006 – 1200 Park Avenue Apartments, Chico (107 units, LIHTC, Senior, MGP: BCAHDC, PM: AWI) – There are seven (7) vacancies as of this date. AWI reviews the turnover and market ready status of these 7 units in their report, following. Specifically, a total of two new move-ins occurred in the past month with two moveouts; in addition to (1) transfer in the process. AWI is processing applications and preparing the units for lease. Marketing efforts, including flyers have increased due to vacancies; many fixed-extremely low-income applicants on the waiting lists have insufficient income to pay the 50-60% AMI rents. Remaining unpaid rents are in process of being collected. Bids are being sought for "sun" damaged or frayed window screens throughout the property. Landscaping needs are being addressed. CAA Food Distribution is on-going. North Valley Catholic Social Services and others are continuing to be contacted to provide activities for property residents. The residents and AWI staff continue to calendar events - monthly bingo and birthdays are celebrated. Usage of the conference room for an "art class" is scheduled every Thursday. Butte County Library is serving property residents. AWI has inserted photos of the last resident Halloween social event for your review. Please see photos of the event in AWI's monthly. narrative. Please find AWI's monthly financials following. YTD income is down by \$40,464, at \$880,219, due to not being able to increase rents to maximum allowed by tax-credit regulation, because of State and local rent restrictions, as well as vacancy loss being \$14,697 more than anticipated. YTD expenses come in at \$848,160, or \$25,075 less than budget. This brought the net profit YTD to \$15,388 less than budget at \$32,058. Total Reserve balance is \$390,101.76. The property is subject to repositioning, involving refinancing and capital improvements.

1200 Park Avenue Apartments, 1200 Park Avenue, Chico

2012 – **Gridley Springs I Apartments**, Gridley (32 units, LIHTC, Family, MGP: BCAHDC, PM: Arrowhead Housing) – There is one (1) vacancy as of this memo, and no thirty-day notices to vacate. Property management has transitioned to Arrowhead Housing. Total YTD income comes in below budget by \$3,527 at \$261,116. The decrease in income is mostly attributed to the vacancy loss being \$2,725 more than anticipated, as well as rental income being \$6,196 less than budgeted YTD. As the year continues and rent increases are implemented we should see the rental income number increase compared

to actual/budget. Total YTD expenses are \$17,263 more than budget at \$197,424. YTD NOI is approximately \$20,791 less than budget at \$63,691. Please find Arrowhead Housing Inc. Owner's report, following.

Attached is a proposed calendar year 2025 Operating Budget for Walker Commons Apartments, Chico.

The budget was prepared by AWI, third party property manager, with HACB input as agent to BCAHDC, the Managing General Partner of the partnership, Walker Commons LP, owner of the property.

The budget was compiled using current and historical trends. Rental income is projected to increase, as rents will be set at maximum allowed by tax credit regulation, as well as increased Section 8 Payment Standards yielding increases in Housing Assistance Payment receipts.

Estimated sources and uses are as follows: Operational income totals \$549,746, use of Reserves for Capital Improvements totals \$77,500; and Cash Uses total \$537,724, resulting in an estimated positive cash flow of \$12,027 for the year.

Budget Page 5 outlines the projected Capital Improvement expenses. Operations improvements include appliance, flooring, cabinet, and air conditioning and heating replacements, roof cleaning, irrigations repairs, and visual smoke detector installation, totaling \$46,180. With an additional \$77,500 budgeted from Reserves, additional improvements include kitchen cabinets, windows, painting and replacing siding, and concrete/walkway replacement. Additional property Capital Improvements will also occur with the repositioning and refinancing of Walker Commons in 2025.

Attached is the proposed calendar year 2025 Operating Budget for 1200 Park Avenue Apartments, Chico.

The budget was prepared by AWI, third party property manager, with HACB input as agent to BCAHDC, Managing General Partner of the owning partnership, 1200 Park Avenue LP.

The budget was compiled using current and historical trends. Rental income is projected to increase as rents will be set at maximum allowed by tax credit regulation, and increased Section 8 Payment Standards yielding increases in Housing Assistance Payment receipts.

Projected vacancy loss is set at 4.0%, higher than typical, providing turnover cushion as new units come on line around the community. Estimated sources and uses are as follows: Operational income totals \$1,104,249; transfers from Reserves total \$131,300; with Cash Uses amounting to \$1,228,160, resulting in an estimated positive cash flow of \$7,389 for the year.

Budget Page 5 outlines the projected Capital Improvement expenses. Operations improvements include appliances, doors and window coverings, totaling \$29,836. The \$131,300 budgeted from Reserves will address unit and common area flooring; cabinets, air conditioning, water heaters, expansion tanks for water heaters, exterior painting, tree trimming; and common area and other upgrades. Additional property Capital Improvements will also occur with the repositioning and refinancing of the property in 2025.

Subject: Resolution No. 24-18C

North Creek Crossings I - 2025 Operating Budget

Attached is a proposed calendar year 2025 Operating Budget for North Creek Crossings I.

The budget was prepared by WINN Residential, LLC, third party property manager, with HACB input as agent to BCAHDC, the Managing General Partner of the partnership, Chico North Creek, LP, owner of the property.

The budget was compiled using current and historical trends. Rental income is projected to increase, as rents will be set at maximum allowed by tax credit regulation, as well as increased Section 8 Payment Standards yielding increases in Housing Assistance Payment receipts.

Vacancy loss is projected at 2%, allowing for unit maintenance and leasing at turnover. Estimated sources and uses are as follows: Operational income totals \$1,253,040, transfer from Reserves total \$38,532; and Cash Uses total \$666,630, resulting in an estimated positive cash flow of \$122,424 for the year.

Because the property is new, Capital Expenditures are expected to be low budgeting a total of \$7,700 to cover landscaping, flooring and appliances upon turnover.

Subject: Resolution No. 24-19C

North Creek Crossings II - 2025 Operating Budget

Attached is a proposed calendar year 2025 Operating Budget for North Creek Crossings II.

The budget was prepared by WINN Residential, LLC, third party property manager, with HACB input as agent to BCAHDC, the Managing General Partner of the partnership, Chico North Creek, LP, owner of the property.

The budget was compiled using current and historical trends. Rental income is projected to increase, as rents will be set at maximum allowed by tax credit regulation, as well as increased Section 8 Payment Standards yielding increases in Housing Assistance Payment receipts.

Vacancy loss is projected at 2%, allowing for unit maintenance and leasing at turnover. Estimated sources and uses are as follows: Operational income totals \$701,928 and Cash Uses total \$401,546, resulting in an estimated positive cash flow of \$98,216 for the year.

Because the property is new, Capital Expenditures are expected to be low budgeting a total of \$4,250 to cover landscaping and appliances upon turnover.
