HOUSING AUTHORITY OF THE COUNTY OF BUTTE BOARD OF COMMISSIONERS MEETING

MEETING MINUTES OF September 16, 2021

The meeting was noticed pursuant to State Public Health COVID-19 pandemic health directives as authorized by Governor Gavin Newsom's Executive Orders N-25-20 and N-29-20, providing for Brown Act exceptions, in observing "social distancing" protocols, to be conducted via teleconference, web-conference, and in person. Though the State directives were lifted on June 15, 2021, the meeting was conducted via teleconference, web-conference and in person, as noticed.

Vice Chair Pittman called the meeting of the Housing Authority of the County of Butte to order at 2:23 p.m.

1. ROLL CALL

Present for the Commissioners: Charles Alford, Theresa Ayers, Laura Moravec, Rich Ober and David Pittman. Commissioners Alford, Ober and Pittman attended in person. Commissioners Ayers, and Moravec attended by means of web-conference.

Present for the Staff: Ed Mayer, Executive Director; Larry Guanzon, Deputy Executive Director; Hope Stone, Finance Director; Tamra Young, Administrative Operations Director; Marysol Perez, Executive Assistant; Jerry Martin, Modernization Coordinator and Angie Little, Section 8 Manager.

2. AGENDA AMENDMENTS

None.

3. CONSENT CALENDAR

Commissioner Ober moved that consent calendar be accepted as presented. Commissioner Moravec seconded. The vote in favor was unanimous.

4. CORRESPONDENCE

San Francisco Office of Public Housing, quarterly newsletter. San Francisco Office of Public Housing normally attends NAHRO Regional Chapter meetings to present performance awards, but due to the Covid-19 pandemic this hasn't happened. In the newsletter, HACB was acknowledged for its disaster resilience performance. Executive Director Mayer noted the good work done rebuilding the Section 8 program, by Administrative Operations Director Tamra Young, Section 8 Housing Manager; Angie Little, as well as the Section 8 and Accounting staff.

5. REPORTS FROM EXECUTIVE DIRECTOR

5.1 <u>Family Self-Sufficiency (FSS) Graduate</u> – Ms. Lopez enrolled as an FSS participant in December of 2019, her primary goal was to secure employment to be able to provide for her two daughters. Ms. Lopez was able to secure a position with Butte County Probation Department. She leaves the program having accrued \$9,167.84 in FSS escrow earnings.

RESOLUTION NO. 4837

Commissioner Alford moved that Resolution No. 4837 be adopted by reading of title only: "RECOGNITION OF FSS GRADUATE TRISHA LOPEZ". Commissioner Ober seconded. The vote in favor was unanimous.

5.2 Section 8 Administrative Plan (AP) – As part of the Annual Agency Plan process the HACB adopts the Section 8 Administrative Plan (AP). The current Admin Plan, made effective October 1, 2021, was adopted by the Board during the July meeting. Brought to the Board today, is a small change to the Admin Plan recommended by HACB staff, the recommended change is not considered a "substantial deviation" and thus is not subject to the usual 60-day public review and comment process. Staff proposes to remove the paragraph in the Admin Plan related to nonresident applicant exceptions for initial ports. In the Section 8 program, non-resident applicant households must be residents of Butte or Glenn County for twelve (12) months before they are eligible to move. The policy in question has opened the door to non-resident applicant households to stay in their local jurisdictions without having to move to Butte County, by means of Reasonable Accommodation. This current provision was implemented per the recommendation of Nan McKay, our policy consultant. Staff recently discovered that this provision is not industry standard, and has long believed the policy to be in direct violation of the Section 8 program, which requires applicants from outside the jurisdiction to reside for a year within the jurisdiction before being allowed to take their voucher elsewhere. The intent of the program is to serve households within the jurisdiction. HACB staff has been administratively burdened in having to adjudicate significant numbers of accommodation requests from applicants who have no intention of residing in Butte County. Per industry standard, it is not reasonable to apply for rental assistance in a jurisdiction where the household has no intention of residing regardless of disability or special circumstance. Authorization to amend the Portability Exceptions Policy closes what has become a loophole in administrative practice.

RESOLUTION NO. 4838

Commissioner Moravec moved that Resolution No. 4838 be adopted by reading of title only: "AUTHORIZATION TO AMEND HUD SECTION 8 HOUSING CHOICE VOUCHER PROGRAM ADMINISTRATIVE PLAN PORTABILITY EXCEPTIONS POLICY". Commissioner Alford seconded. The vote in favor was unanimous.

5.3 <u>Gridley Farm Labor Housing (FLH)</u> – Routine action item, authorizes HACB to close out a construction contract for acceptance of Workout Plan renovation work completed at FLH. The HACB entered into a construction contract with J Walt Construction, Inc. for the completion of Phases II & III Unit Rehab work at Gridley FLH. The work included the renovation of eleven (11) residential buildings converting twenty-two (22) dwelling units to seventeen (17) dwelling units. The total amount for the work was \$5,785,505.43. The contract work completed by J Walt Construction has been has been accepted. Acceptance of the work is a USDA-RD requirement, which them authorizes them to release funds to the HACB. Modernization Coordinator, Jerry Martin, relayed the project came in on budget and slightly behind on time, by four (4) months. Executive Director Mayer added that J Walt Construction has been a very professional and responsive contractor.

RESOLUTION NO. 4839

Commissioner Ober moved that Resolution No. 4839 be adopted by reading of title only: "ACCEPTANCE OF GRIDLEY FARM LABOR HOUSING UNIT REHAB PHASE II & III IMPROVEMENTS AND AUTHORIZATION TO MAKE FINAL PAYMENT TO CONTRACTOR". Commissioner Moravec seconded. The vote in favor was unanimous.

5.4 Gridley Farm Labor Housing (FLH) – HACB has become aware that Always With Integrity Management Corporation (AWI), third-party property management company, has familiarity with administration of USDA-RD regulated Farm Labor Housing properties and programs. AWI already manages three (3) multi-family tax credit properties for HACB-related entities, and has a proven track record of service. HACB received property management services proposals (2), one for the USDA-RD regulated units, and one for the seven (7) unregulated Demonstration Program units. Both proposals are consistent with the budget established by the HACB for 2021-22 FLH operations. AWI has an existing working relationship with USDA, and feels very comfortable taking on the Gridley FLH property and its ongoing rehab efforts. HACB staff estimates a two (2) month transition period, beginning October 1st 2021. Deputy Executive Director Guanzon added that AWI's maintenance and site management staff will be housed at Gridley FLH. HACB staff serving FLH will see one voluntary retirement, its manager re-assigned to the Main Office to support property management operations, and the remaining maintenance staff re-assigned to the maintenance pool. Staff recommends approval of the proposed retention of AWI as property manager at Gridley Farm Labor Housing and Demonstration units.

RESOLUTION NO. 4840

Commissioner Moravec moved that Resolution No. 4840 be adopted by reading of title only: "MANAGEMENT AGREEMENTS (W) WITH ALWAYS WITH INTEGRITY (AWI) FOR PROPERTY MANAGEMENT OF USDA-RD GRIDLEY FARM LABOR HOUSING AND HACB "DEMONSTRATION UNITS, 850 EAST GRIDLEY ROAD, GRIDLEY". Commissioner Ober seconded. The vote in favor was unanimous.

5.5 <u>Personnel</u> – Staff is recommending change to the organizational structure of the HACB Maintenance Department. The proposed change includes changing (1) Maintenance II position to a Maintenance (1) position. The change will provide the necessary staffing and training structure to manage coming retirements and existing vacancies in the Maintenance department. The re-organization is intended to facilitate retention of entry level workers, who can be trained up once employment is secured; more skilled technicians are currently very difficult to find.

RESOLUTION NO. 4841

Commissioner Ober moved that Resolution No. 4841 be adopted by reading of title only: "RE-ORGANIZATION OF MAINENANCE DEPARTMENT". Commissioner Moravec seconded. The vote in favor was unanimous.

5.6 <u>Cal-Osha Required Policies (8)</u> – HACB staff has identified eight policies that are Cal-Osha required. Three (3) of the policies are being presented for adoption today; a COVID Prevention policy (an update to what was previously adopted); a Respirator Policy, and a Heat Illness Prevention Policy. The Respirator Policy is somewhat extraordinary, as it provides for elective use of respirators by Section 8 HQS Inspectors; requiring a special policy to be added due to industrial relations labor law. Commissioner Alford asked if a federal vaccination mandate would affect HACB staff. Administrative Operations Director Young relayed that the HACB would fall under the category of a Federal contractor; which would require compliance. At this moment no guidance has been received from Washington.

RESOLUTION NO. 4842

Commissioner Moravec moved that Resolution No. 4842 be adopted by reading of title only: "ADOPTION OF Cal-OHSA-REQUIRED POLICIES: COVID PREVENTION POLICY, RESPIRATOR POLICY, HEAT ILLNESS PREVENTION POLICY". Commissioner Ober seconded. Resolution passed with four (4) votes in favor and one (1) nay from Commissioner Alford.

- 5.7 <u>Strategic Asset Plan</u> Executive Director Mayer provided a brief update on the status of the repositioning of Walker Commons Apartments, Chico Commons Apartments and 1200 Park Avenue Apartments, all in Chico. The HACB is Investor Limited Partner (ILP) in the three tax-credit regulated properties. Its instrumentalities, BCAHDC and Banyard Management, will take action during their meetings and will consider retaining the California Affordable Housing Agency (CalAHA) to reposition the properties. CalAHA will complete a renovation/refinancing plan for consideration by the respective owning partnerships, including HACB as ILP, BCAHDC and Banyard Management as Managing General Partners, and the partnership lenders.
- 5.8 <u>Development Activity</u> Executive Director provided an update regarding the current development activity in the area, including a spreadsheet that identifies all current known affordable housing development projects in Butte and Glenn

Counties. Five (5) BCAHDC projects have closed to date; and four are under construction. Pacific West Companies has successfully bought a 9-acre parcel in Gridley, intended for a 3-phase family project. Of particular interest is a proposed property in Chico, the old Regal Inn site, north of Rio Lindo Avenue, east of Esplanade. Pacific Companies has secured a buy sell agreement and is planning for a 38-unit project serving homeless singles, including a Seriously Mental III component supported by State No Place Like Home program funds (to be applied for).

6. MEETING OPEN FOR PUBLIC DISCUSSION

None.

7. MATTERS CONTINUED FOR DISCUSSION

None.

8. SPECIAL REPORTS

Commissioner Pittman reported on a recent fire in Oroville at Olive Ranch Apartments, Phase I; affecting thirty (30) affordable housing units under construction in Oroville. The project suffered a five-million-dollar loss, the perpetrator has been caught and has confessed to setting the fire. Reconstruction has begun on the project and it is moving forward, again. Commissioner Pittman also toured the recently completed 48-unit senior affordable housing property, Sierra Heights Apartments, Oroville, developed by Willow Partners - he had very positive reviews of the project, commenting on the great facilities and views.

9. REPORTS FROM COMMISSIONERS

9.1 <u>Executive Director Compensation</u> – Chair Moravec on behalf of the Board of Commissioners acknowledged and thanked Executive Director Mayer for a tremendous job in his thirteen (13) years of service to the HACB, adding that it has been a genuine pleasure to work with him; that every year he gets a little bit better at what he does. The Board of Commissioners authorized a \$10,000 one-time cash bonus in addition to forty (40) hours of administrative leave time to be used in the next twelve months. Executive Director Mayer expressed sincere gratitude and surprise, and is very grateful for the support of the Board. He added that it has been a joy serving in his position.

MOTION

Commissioner Alford moved to authorize a \$10,000 one-time cash bonus in addition to forty (40) hours of administrative leave to be used in the next twelve months. Commissioner Ober seconded. The vote in favor was unanimous.

10. MATTERS INITIATED BY COMMISSIONERS

Chair Moravec suggested increase of the stipend that is paid to Commissioners of the Board; she added that it is getting harder to get people to do things; and reflected that she has served on the Board for thirteen (13) years and the amount has always been the same, fifty dollars. She suggests the new amount be effective January 1, 2022, as by that time she will no longer be on the Board of Commissioners. Executive Director Mayer replied that the stipends are a function of state law, but staff will go back and look at policy and bring forward information at a future meeting.

11. EXECUTIVE SESSION

None.

MEMO

Date:	October 15, 2021
To:	HACB Board of Commissioners
From:	Jerry Martin, Modernization Coordinator
Subject:	Status of HACB Construction Projects

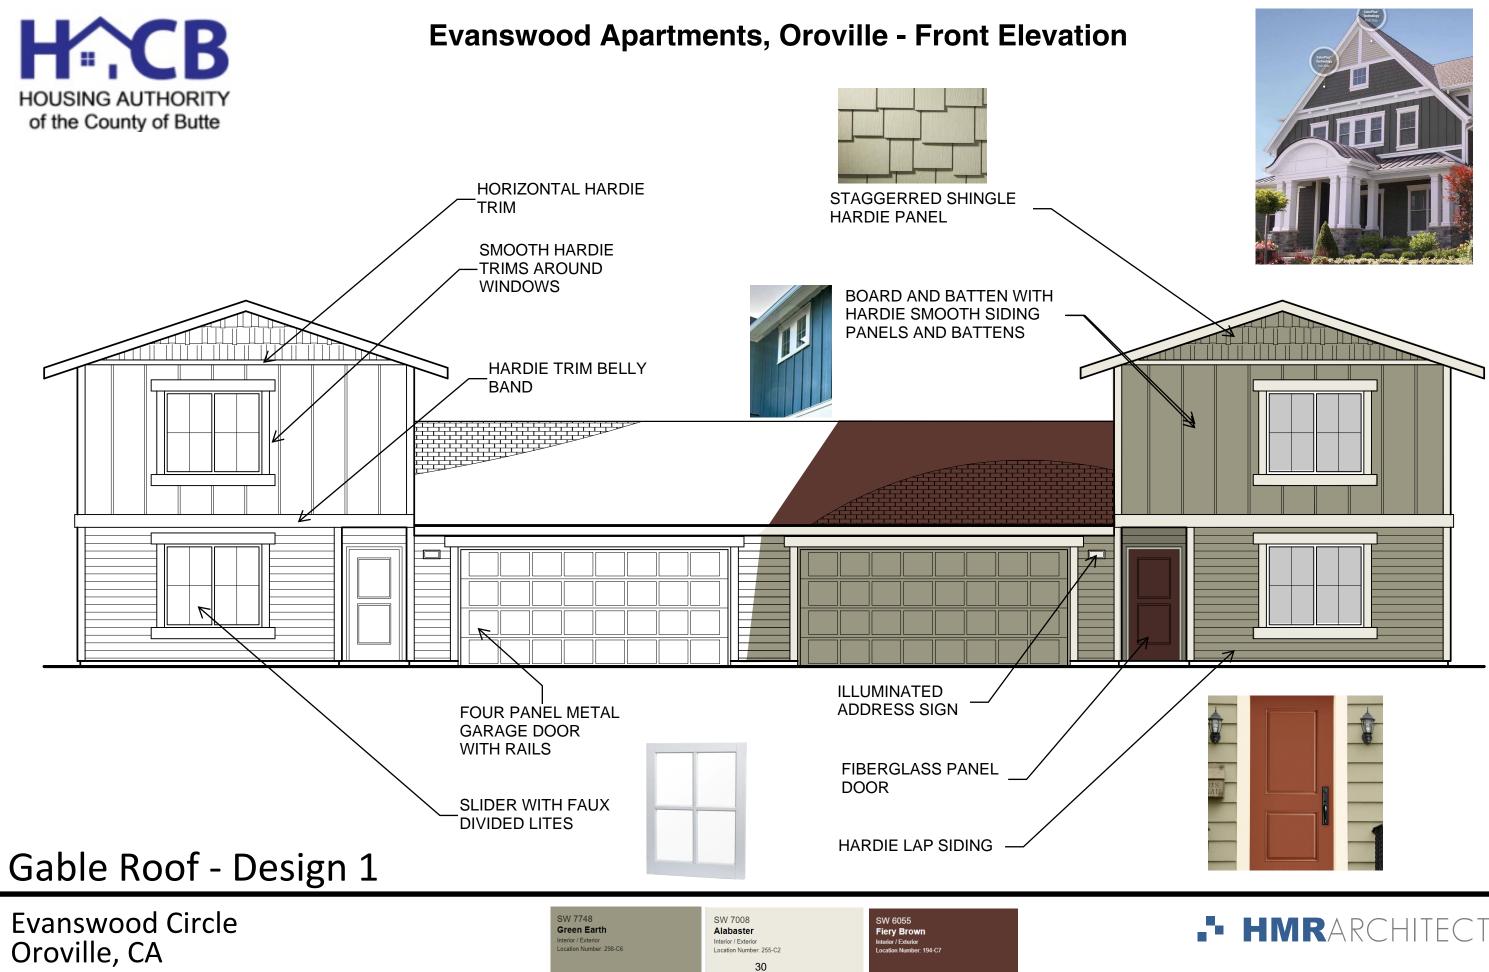

As of October 15, 2021, the status of HACB construction activity follows:

- Public Housing All sites. Abatement and replacement of asbestos-containing floor tiles; One (1) unit has been completed during the 2020/2021 fiscal year to date; 125 of 232 Public Housing units have been completed overall.
- Public Housing Energy Conservation. Electrical Fixture replacements in planning, project bidding planned for Fall/Winter of 2021/22.
- Public Housing Landscape Improvements (43-13) Shelton Oaks and Rhodes Terrace. A project has been organized to replace landscape at Shelton Oaks with new hardscape, drought tolerant plants, replace irrigation, and replace site signage. Rhodes Terrace improvements will include site signage replacement, perimeter fence brush removal, site drainage improvements, and selective plant infill. Project bidding expected during the fall/winter 2021/22 with construction planned for Spring of 2022.
- HACB Main Office Safety and Security Improvements. A project has been organized to address virus mitigation and building security improvement needs at the 2039 Forest Avenue office. Project construction is substantially complete, with final completion expected during November.
- Farm Labor Housing Combined Phase II & III Rehab. Overall, project construction is 100% complete, with all 11 contracted buildings, including 17 units, complete and tenant-occupied at this time. Final contractor contract closeout processes underway. HACB continues to work with USDA-RD to pursue all avenues for funding to continue with future rehab phases. HACB is also investigating application for State Joe Serna Jr. Farmworker Housing funds, which may provide up to \$10 million per application. Finally, HACB has suggested to Congressman LaMalfa's office that an "earmark" of \$20 million towards FLH renovation would make for a great investment in housing as infrastructure.
- Kathy Court Apts, Paradise Project Architect has completed construction permit documents and submitted to the Town of Paradise.
 - Basis Architecture met the mid-September construction permit deadline. Meeting this deadline has preserved the property's "grandfathered" non-conforming zoning status post-Camp Fire Disaster.
 - Plan check comments are expected during November at which time Project Construction Documents will be updated and the bid manual prepared.

October 15, 2021 HACB Construction Status Memo pg. 1

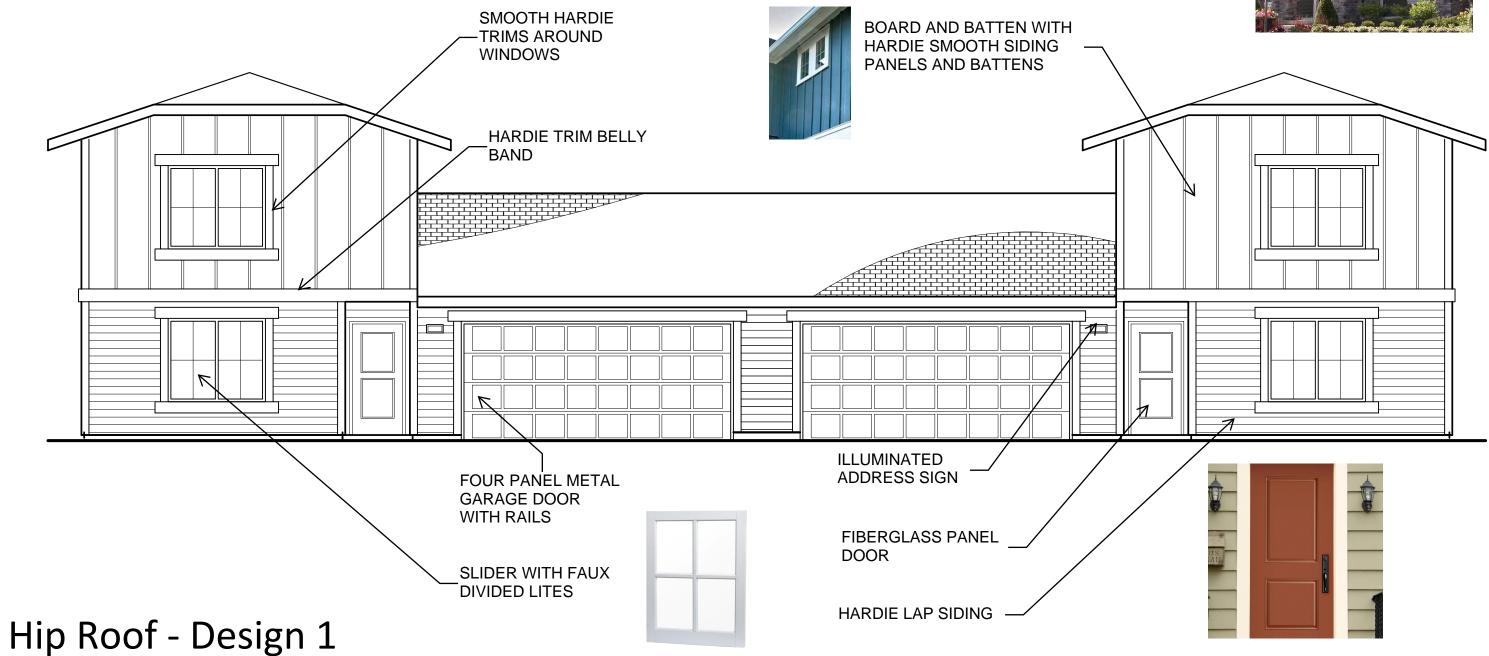

- To date, the existing septic system has been determined intact, the property has been cleared of dead trees and fire debris, and a title search and associated site survey and easement review have been completed.
- Financing is being sought to complete assembly of funds necessary for reconstruction. Thus far, 2020A Bond proceeds and PG&E Claim funds have been identified. CDBG-DR monies are being considered. The PG&E Claim settlement will clarify the financial needs.
- 2131 Fogg Avenue Development Initiative. Two (2) build-out approaches are being evaluated:
 - Small House Manufactured Option: HMR Architects Schematic Design Option 2A, which includes 16 single family home style manufactured units with individual unit driveway access, with a mix of 14 one-bedroom units and 2 two-bedroom units.
 - Traditional Multifamily Option: by way of comparison and analysis, HMR Architects has completed schematic design plans using traditional multifamily construction methods. The alternate yields 18 units at the site (16 one-bedroom and 2 two-bedroom).
 - Feasibility Construction Cost Estimating: Cost estimating of the Small House Manufactured Option vs Traditional Multifamily Option has been reviewed in conjunction with Nick Benjamin, Executive Director of the California Affordable Housing Agency. Nick is an expert in the modular and manufactured housing market; based on Nick's review it has been determined that further analysis is needed, regarding actual delivery potential.
 - The next step is to meet with a local manufactured housing dealer working and delivering product within Butte County. This will provide a better understanding of the local inventory, delivery availably and local cost impacts relating to manufactured housing, and how these factors will impact the feasibility of this option.
- Gridley Farm Labor Housing's commercial structures have been evaluated for the presence of leadbased paint and asbestos, in anticipation of exterior replacements and painting, needed to stabilize the aging exterior building envelopes. All planned work with be subject to lead abatement protocols. Partial siding replacement, select exterior door replacement and full exterior paint of the four (4) buildings occupied by E Center and Mi Casa is planned. Construction documents have been prepared with contractor bidding forthcoming.
- 2020A Bond Renovations Renovation work to be accomplished at the six (6) properties financially leveraged by the Bond issuance.
 - Legal guidance has been secured regarding the application of wage rates to the work.
 - Most of the work identified in the Property Condition Assessments will be completed by property manager RSC Associates through the course of operations, supported by the architect in providing specifications to materials and products.
 - HMR Architects, Inc has been contracted to provide architecture for the 2020A Bond Renovation beginning with two (2) major rehab efforts, involving the remediation of the stucco siding at Evanswood Apartments, Oroville, and reconstruction of the stair access and balcony assemblies at the Lincoln Apartments, Chico.
 - HMR Architects has completed as-built construction drawings and engineering consultant site inspections for Evanswood Apartments and Lincoln Apartments.
 - Design Development work is well underway for both Lincoln Apartments and Evanswood Estates Apartments. These designs are expected to be ready for jurisdictional planning review during the month of November. Note that the "Tudor style" of Evanswood Apartments is proposed to be replaced by a contemporary style – see following.

MEMO

Date:	October 15, 2021
To:	HACB Board of Commissioners
From:	Larry Guanzon, Deputy Executive Director Ed Mayer, Executive Director Juan Meza, Property Manager
Subject:	Farm Labor Housing, Gridley – status report

As of October 1, 2021, we have a total of (81) occupied units. Ten (10) units are being kept offline because they fall in Phase IV of the ongoing rehab work, and (10) units are deemed uninhabitable because of their age, condition, and relative high price (a function of the USDA's operational system); so consequently, there are (15) units available for occupancy. New prospective residents, most of the time, want to rent the newly rehabbed units. Staff continues to invite moving into older units, promising an opportunity to move into a new rehabbed unit when the latter phases of construction are completed. We had (2) applicants move-in last month, which helped offset the move-out we had due to the resident no longer being eligible (over-income). There are currently (8) applicants on our waiting list. There are no intent to vacate notices or unlawful detainers at this time.

Approved rent and utility changes went into effect on October 1, 2021 for all Farm Labor residents. The rent increases for each bedroom size is as follows:

- 1-bedroom units will increase from \$810 to \$816,
- 2-bedroom units will increase from \$825 to \$835,
- 3-bedroom units will increase from \$1,523 to \$1,559,
- 4-bedroom units will increase from \$1,771 to \$1,909.

These new rent changes have not had a negative impact on our occupancy, as the majority of our residents receive USDA Rental Assistance (RA) and will not see an increase in their monthly rent obligation.

Affordable Tree Care is scheduled to come out this month to trim a tree on Sussex Avenue, due to the tree being top-heavy and posing a potential safety hazard.

On-site security is reporting no significant issues on the property at this time. Maintenance staff and the Resident Manager continue to work on vacancy make-readies. Sierra Landscaping continues to serve the landscaping needs of the property.

Monthly food distribution was held on October 12, 2021 from 3-6 pm in the Community Room. To help ensure the safety of our residents, all of the food is pre-packaged and distributed by staff wearing PPE. The Promotores program will be hosting a Dual Language Learning (DLL) program that will target children ages 0-5 years. in order to help them gain linguistic and cognitive

skills, improving academic outcomes in school. We anticipate the start of the DLL program in early November 2021. This service will be free of charge to all residents and will be run out of the Community Room on Staff Drive, to be leased by Promotores. Promotores is a North Valley Catholic Social Services initiative.

Mi C.A.S.A.'s classes for their Fall Session began on September 30, 2021. Mi C.A.S.A. staff is reporting 25-30 students in attendance a daily basis. We received a total of (6) entries for NAHRO's "What Home Means to Me" poster contest from Mi C.A.S.A. students. One of the poster entries made it all the way to Regional competition, however the entry did not move on to National competition. The six (6) Mi C.A.S.A. students who participated in the poster contest were rewarded with a certificate of appreciation and a gift card from the Housing Authority. Due to the ongoing COVID-19 pandemic, Mi C.A.S.A staff continue to have measures in place to keep both staff and students safe by having students work in small groups while observing social distancing and washing their hands and school supplies regularly. All students continue to be screened (thermometer and contact questions) daily; the information is recorded by Mi C.A.S.A. staff.

Construction is complete for Rehab Phases II and III of the remodeling work, which started July 6, 2020. The work was completed by J. Walt Construction. The phases included rehabilitation of eleven (11) buildings, converting (22) 2-BR units to (17) 1-4 BR units. We are seeking additional funds to continue the work, despite USDA's continuing national reorganization, functionally jeopardizing the USDA's capital funding stream. We have been assigned a third program rep yet this year. 2022 rehab activity is jeopardized. State Joe Serna Jr. Farmworker Housing program funds are being investigated as an alternative.

We are beginning to anticipate and consider renovation/demolition/historic preservation of the historically significant 1930's era wooden units.

Hazardous materials testing has been completed analyzing the exterior surfaces of the commercial lease buildings at the property. Lead based paint and asbestos containing materials were discovered, knowledge of their presence will help frame approach to needed exterior building replacements and improvements.

Lastly, as of October 1, 2021, third-party property manager AWI is working on the transition of management from HACB staff to their staff for management of the residential properties at the site, including both the USDA-RD regulated and unregulated Demonstration Program housing units. AWI Management Corporation, of Auburn has a current working relationship with the HACB – the firm manages three (3) tax-credit regulated properties on behalf of HACB's non-profit instrumentalities. Significantly, AWI manages other USDA-RD Farmworker Housing program properties, and brings a working relationship with the federal agency in operation of the Section 514/516 Farmworker Housing program. HACB will continue to operate and maintain the commercial buildings at the property, serving the E-Center, BCOE, Mi CASA, and Promotores programs.

For Alamont, Cordillera, Evanswood, Kathy Court, Lincoln, Locust, and Park Place Apartments, please also see monthly reports provided by the property manager, RSC Associates Inc., following this memo. Please also find Sackett Corporation's financials for Gridley Springs II.

Alamont Apartments, Chico – As of the first of the month there were (0) vacancies or 100% occupied as of this memo. There is one unlawful detainer in the process. In terms of rent collection, three (3) residents owe rent. Two households we are awaiting payment from the Rent Relief Program and again one eviction in the process. The new on-site manager, Donna Bennett, is settling into her new job. The property continues to perform consistent with budget or better.

Cordillera/Cameo Apartments, Chico - The property currently has one (1) vacancy and one (1) thirty-day notice. The majority of the monthly rent was collected for the month, with the exception of partial payments being sent from the Butte County Behavioral Health SEARCH program on behalf of their clients.

Evanswood Estates Apartments, Oroville – This property currently has three (3) vacancies as of the first of the month; the RSC narrative reiterates the current turnover and status of vacant units, 100% of the rent was collected for September. Property insurance will be covering the rent loss for fire-damaged units #28 and #71.

Insurance-paid fire mitigation and reconstruction continues for units #28 and #71, with #28 having secured its permit, and #71 in permit review. The HACB now owns 31 of 32 property units, Unit #53 being the only unit not owned by HACB. The buildings need repair and upgrade to exterior siding, to ensure integrity into the future. Exterior building work is planned to be addressed in 2021/22; HMR Architects has been retained to generate the bid documents for exterior remediation. Recently purchased Units #21, #25, and #33 are fully occupied, with 100% of the rent having been collected. The non-compliant and rotting deck behind unit #33 has been removed making this rear vard area consistent with the rest of the property.

Gridley Springs II, Gridley (24 units, Family, Owner: HACB, PM: Sackett Corporation) The property currently has zero (0) vacancy. 100% of the rent was collected for the month. The property continues to perform above budget as both YTD income and operating expenses are better than what was budgeted. The property performed their annual interior inspections of all units. Miquel Aguirre is the new maintenance person.

Kathy Court Apartments, Paradise – Kathy Court, burnt to the ground in the Camp Fire, has been cleared, yet retains its 12-unit septic system. Plan documents have been submitted to the Town of Paradise, preserving the "grandfathered" status of the non-conforming zoning use. Financing is only partially secured, relying on 2020A Bond proceeds, as of yet undetermined PG&E Claim proceeds, and possible use of CDGB Disaster Recovery funds. We have been informed by HARRP, our insured provider, that property and liability insurance will not be renewed. Alternate insurance providers will be sought, it is anticipated the significant increases in premiums will be confronted.

Lincoln Apartments, Chico – Lincoln Apartments has zero (0) vacancy as of the 1st of October, with no thirty-day notices to vacate. The majority of rent was collected for the month, with one partial payment. HMR Architects has developed plans for building upgrades, focused on the exterior walkways, stairways, and railing assemblies, windows, and heating and cooling systems. Exterior painting will follow the walkway improvements. From operations, parking lot repair is planned for this year. Walkway work will occur in 2021/22.

Locust Apartments, Chico - The property has zero (0) vacancy as of the 1^{st} of the month. In terms of rent collection for the month, all rents were collected, with the exception of three (3) households who owe partial amounts.

Park Place Apartments, Oroville – The property has one (1) vacancy as of the first of the October, with RSC reviewing applications for unit occupancy. Two units did not pay rent for the month, and two units owe partial rents for the month. 3^{rd} party property manager, RSC & Associates, is working on collection.

2131 Fogg Ave, Oroville – This single family "Demo" house is occupied. HMR Architects has been retained to schematically explore site use, principally, the exploration of use of "small houses" in building out the property. Design development and analysis work is underway.

	• Gridley Springs I Apartments, Gridley (32 units, LIHTC, family)

• Harvest Park Apartments, Chico (90 units, LIHTC, family)

For Chico Commons, Walker Commons, and 1200 Park Ave. Apartments, Chico, please also see monthly reports provided by the property manager, AWI, following this memo. Property manager Winn Residential provides monthly reports for Harvest Park Apts., Chico; and Sackett Corporation for Gridley Springs I Apts., Gridley, following this memo.

Walker Commons Apartments, Chico (56 units, LIHTC, Senior & Disabled, MGP: BCAHDC, PM: AWI) – The property has zero (0) vacancy as of the beginning of the month. There are no thirty (30) day notices to vacate as of this memo. 100% of the rent was collected for September & October. The complex is continuing to observe COVID-19

Stage 2 protocols. Weather permitting the complex parking lot will be striped by month's end. Please find the AWI monthly owners report following, as well as a brief property narrative provided by AWI. This property is subject to repositioning, involving refinancing and capital improvements and replacements. CalAHA has been retained to provide repositioning capacity, and will start the work with completion of Investment Grade Physical Needs Assessment of the property. The property is generating significant amounts of surplus cash, which will help with renovations, but which aggravate HACB's Investor Limited Partner Captital Account. AWI Regional Property Manager, Jenifer McDonnell has been promoted to VP of Operations, and we will be working with Irene Alvarez, the new Regional Property Manager.

Chico Commons Apartments, Chico (72 units, LIHTC, Family, MGP, Banyard Management, PM: AWI) – There currently are zero (0) vacancies as of the 1st of the month. Unpaid rents were 12% for the month of September. In their monthly narrative, AWI breaks down unpaid rents, and associated payments California's Rent Relief Program. Consequently, unpaid rent totals should come down in the next 90-120 days. The wooden fence on the west side of the property needs replacement – bids are being secured - the first bid came in at \$26K due to the increased pricing of lumber. We are

obtaining contractor bids for gutters and downspouts, dumpster enclosure gates, and again, for west side fence replacement. AWI will commence annual interior inspections, as both LIHTC and HUD plan to reinstate actual inspections later in 2021. Tree trimming is planned for the month of October, which is performed annually. The property continues to be operated subject to COVID-19 pandemic response protocols, and leasing dynamics are being watched carefully - please find AWI's narrative property report and financials, following. This property is subject to repositioning, involving refinancing and capital improvements and replacements. CalAHA has been retained to provide repositioning capacity, and will start the work with completion of Investment Grade Physical Needs Assessment of the property. AWI's Manager, Regional Property Jenifer McDonnell, has been promoted to VP of Operations; we will be working with a new Regional Property Manager, Irene Alvarez. Jennifer is working to ensure a smooth transition.

Gridley Springs I Apartments, Gridley (32 units, LIHTC, Family, MGP: BCAHDC, PM: Sackett Corporation) – There continues to be zero (0) vacancies reported by Sackett Corporation as of the beginning of the month. There are no thirty (30) day notices to vacate. Power washing of all buildings and carports was completed. USDA approved the new signage for GS I and this should be completed within 30 days. The CTCAC desk audit was completed and there were no significant findings. Please find Sackett Corporation's Owner's report, following.

1200 Park Avenue Apartments, Chico (107 units, LIHTC, Senior, MGP: BCAHDC, PM: AWI) – This property currently has four (4) vacancies. Two move-ins and two move-out occurred during the month of September which AWI outlines in their monthly narrative. There is one (1) thirty notice to vacate due to the household leaving the area. There were two tenants who did not pay rent for the month of September & October. We expect payment from CAA for one resident as they have committed to pay on the household's behalf. The other unit AWI staff is following up. There was an update to the legal complaint that was filed by a resident against property manager AWI, the property owner, and BCAHDC, regarding a laundry room incident at the property, as well as other allegations. Our insured attorney provided a detailed report; we do expect a trial in the future. Christy Crux, the new on-site manager continues to work in her new role as she familiarizing herself with the property. AWI is in search for a part-time assistant manager to help fill in 20 hours a week. The flat roofs assessment has been completed, with replacements still being scheduled. Pigeon abatement, replacement of elevator floors, and striping of the parking garages are all in the works with bids and or completion. The fire/alarm sprinkler inspections have been delayed due to parts for the two heat sensors on back order. The Passages senior

services program, associated with CSU Chico, is working with AWI to put together a program of supportive services to help with the needs of the building's senior households, but again, due to the COVID-19 pandemic, this has been on hold. Since the move of the Jesus Center; homeless activity has decreased significantly. Please find AWI's monthly financials and property manager monthly narrative following, for your review. AWI's Regional Property Manager, Jenifer McDonnell, has been promoted to VP of Operations; we will be working with her replacement Irene Alvarez. This property is subject to repositioning, involving refinancing and capital improvements and replacements. CalAHA has been retained to provide repositioning capacity, and will start the work with completion of Investment Grade Physical Needs Assessment of the property.

Harvest Park Apartments, Chico (90 units, LIHTC, Family, MGP: BCAHDC, PM Winn Residential) – Harvest Park currently has zero (0) vacancy. There is unpaid rent in various units due to COVID-19, and or job loss. We continue to follow up with property manager WINN Residential, as they are also waiting for California Rent Relief Program

funds to be paid on behalf of the delinquent rent households. This is a function of households taking advantage of COVID-19 eviction forbearance and mis-understandings about how COVID-19 rent reconciliation functions. There was a CTCAC desk audit performed by the tax-credit agency and there were no significant findings. The property continues operations per budget. The Harvest Park budget draft was provided by Winn Residential; it will be considered for adoption by the owner's Managing General Partner, the Butte County Affordable Housing Please Development Corporation. find WINN Residential Owner's Report following.

Memo

To:	Board of Commissioners
From:	Hope Stone, Finance Director
Subject:	Resolution Number 4843 Write-Off of Uncollectible Accounts Receivable, as of September 30, 2021

Annually, at fiscal year-end, accounts receivable balances are written off the Balance Sheet for vacated participant and landlord accounts for which HACB has not received a payment for ninety (90) days or more. These balances represent uncollectable tenant rent, repayment agreements, and other charges for July 1, 2020 through June 30, 2021. To provide some perspective, below is a chart comparing 2021 to the past four years, along with the five-year averages.

	I	Public		Farm Labor		lousing uthority		lousing Choice		ASH Surity		
Year		lousing	Housing		Owned		Voucher		Security Deposits		Total	
2021	\$	41,110	\$	1,660	\$	-	\$	29,642	\$	-	\$	72,413
2020	\$	74,034	\$	10,765	\$	8,428	\$	18,480	\$	500	\$	112,207
2019	\$	71,784	\$	264	\$	5,164	\$	14,024	\$	-	\$	91,236
2018	\$	37,988	\$	7,617	\$	17,550	\$	24,004	\$	-	\$	87,159
2017	\$	11,312	\$	1,984	\$	16,151	\$	50,861	\$	-	\$	80,308
Averages	\$	47,246	\$	4,458	\$	9,459	\$	27,402	\$	100	\$	88,665

The amount written off the Balance Sheet is not the same as Bad Debt and Allowance for Doubtful Accounts (ADA), which are calculated as a percentage of the total Tenant Accounts Receivable. The process of recording the ADA does not require Board action; its purpose is to account for potentially uncollectible amounts, and not to write-off the debt.

These write-off accounts have been, or will be, sent to a Collection Agency for further action.

If you have any questions I will be happy to answer them at the Board Meeting.

Recommendation: adoption of Resolution No. 4843

HOUSING AUTHORITY OF THE COUNTY OF BUTTE RESOLUTION NO. 4843 WRITE-OFF UNCOLLECTIBLE ACCOUNTS RECEIVABLE

This work will be foundational to next steps, including appraisals, determination and costing of the scope-of-work, financing of the improvements, and finally, physical renovation work. is being considered this month by the Boards of both Butte County Affordable Housing Development Corporation (BCAHDC) and Banyard Management (Banyard).

Memo

To:HACB Board of CommissionersFrom:Ed Mayer, Executive DirectorSubject:Development Activity – Status

Project-based Section 8 Vouchers (313 vouchers committed to date – 14% of program) - the HACB is organizing to issue a Request for Proposals (RFP) for the project-basing of 100-150 Section 8 Housing Choice Vouchers. Proposals will be sought from providers of new affordable housing developments serving special needs populations (seniors, disabled, veterans, etc.) in Butte and Glenn Counties, and families in Chico. The RFP will be issued around the first of November, applications due by the first of December, and awards made at the December meeting of the Board of Commissioners. The RFP is intended to capture ongoing disaster-response-related development activity by way of increasing housing opportunity for Section 8 participants. This RFP will likely be the last project-based voucher RFP issued by the HACB, as project-based voucher limits are being approached.

The following outlines status of HACB-related affordable housing development activity in Butte and Glenn Counties, mostly the same as provided last month. Four (4) projects have seen their Construction Loans close and are under construction, one in Chico, two in Oroville, and one in Gridley. One (1) project is scheduled for its Construction Loan close in mid-September:

North Creek Crossings Apts I, Chico (106 units, family, AHDC/BCAHDC. Lender: Wells Fargo. LIHTC Investor: R4 Capital) – located in Meriam Park, this project is under construction, with delivery of units scheduled for the end of 2022. HACB has committed 25 Section 8 project-based vouchers to this project.

North Creek Crossings Apts II, Chico (60 units, family, AHDC/BCAHDC) – application for the second round of 9% Disaster tax credits was made in July. CDBG-DR funds have now also been applied for. HACB has committed 14 Section 8 project-based vouchers to this project.

Deer Creek Apts I, Chico (156 units, family, The Pacific Companies/BCAHDC. Lender: Bank of America/CitiBank. LIHTC Investor: Bank of America) – located at the southeast corner of Bruce Road and Highway 32, advancement of this project has been delayed because of environmental concerns requiring resolution. On behalf of the partnership, BCAHDC has submitted environmental remediation documents to the City for environmental clearance.

Development Status Memo October 15, 2021 **Deer Creek Apts II, Chico** (48 units, family, The Pacific Companies/BCAHDC?) – application for the second round of 9% Disaster tax credits was made in July.

Park Ave Apts, Chico (59 units, formerly homeless singles, Jamboree/BCAHDC. Lender: Banner Bank. LIHTC Investor, CREA) – located across Park Avenue from HACB/BCAHDC's 1200 Park Avenue Apartments, this last month saw the project construction closing, with the Notice to Proceed issued to the contractor. Work will commence with temporary relocation of the Verizon cell tower, and demolition of the old Jesus Center building, Chico's historic "Ice House"... Occupancy is scheduled for the Summer of 2023. HACB has committed 43 Section 8 project-based vouchers to this project.

Creekside Place Apts, Chico (101 units, seniors, CHIP) – located across the street from Marsh Elementary School at Humboldt and Notre Dame, the project has closed and is under construction. Delivery is scheduled for the Spring of 2023. HACB has committed 100 Section 8 project-based vouchers to the project.

Riverbend Apts I, Oroville (72 units, family, The Pacific Companies/BCAHDC. Lender: Union Bank. LIHTC Investor: CREA) – located at the intersection of Nelson Avenue and Table Mountain Boulevard, the project has closed and is under construction. Delivery of units is scheduled for the Summer of 2022.

Riverbend Apts II, Oroville (48 units, family, The Pacific Companies/BCAHDC?) – application for the second round of 9% Disaster tax credits was made in July.

Mitchell Ave Apts I, Oroville (36 units, seniors, The Pacific Companies/BCAHDC. Lender: Pacific Western Bank. LIHTC Investor: Redstone) – located immediately to the west of HACB's Winston Garden Public Housing property, the project has closed and is under construction. Delivery of units is scheduled for the Spring of 2022.

Prospect View Apts, Oroville (40 units, formerly homeless singles, The Pacific Companies/BCAHDC) – located next to the County Clerk and Recorder's office on Nelson Avenue, the project secured approvals from the City of Oroville and a State NPLH commitment from Butte County. Application for the second round of tax credits was made in July, we have just learned of the funding award. HACB has made a commitment of 39 Section 8 project-based vouchers to this project.

Fogg Ave Apts, Oroville (16-18 units, singles, HACB) – located immediately to the east of HACB's Hammon Park Public Housing property off of Nelson Avenue, feasibility work has been advanced, analyzing both manufactured and stick-built development approaches. The two approaches are still being compared. The next step is to evaluate the approach with a local provider of manufactured home product, one who actually has access to a delivery pipeline. CDBG-DR monies are being contemplated for partial funding of this development.

Ford Oaks Apts, Gridley (36 units, family, The Pacific Companies/BCAHDC. Lender: Umpqua Bank. LIHTC Investor: CREA) – located on Ford Avenue near the Gridley Springs I&II Apts, the

Development Status Memo October 15, 2021 project closed its construction financing and is under construction. Delivery of units is scheduled for the Spring of 2022.

Sunrise Village Apts, Gridley (37 units, seniors, The Pacific Companies/BCAHDC) – with CDBG funds secured from the City, and MHP funds from the State, shifting State program policy pushed finalization of financing. Application for the second round of 9% LIHTC Disaster credits was made in July. Because of State policy favoring funding of projects that had already secured MHP funding, the application is considered very competitive.

Kathy Court Apts, Paradise (12 units, family, HACB) – burned to the ground in 2018's Camp Fire Disaster, this property is being re-built. The site survey has been completed, and the architect procured. Basis Architecture has completed preliminary design work, and is proceeding with design development work in anticipation of permit submittal. Timely permit submittal will "grandfather" the property's previous use. While funding has not been finalized, it is anticipated the project can be substantially completed using 2020A Bond funds, PG&E Claim settlement proceeds, and CDBG-DR monies. P&L Insurance is being sought – the previous provider denied renewal of coverage. The project is tentatively scheduled for construction in the Spring of 2022, with lease-up scheduled for early 2023.

Liberty Bell Apts, Orland (32 units, seniors, The Pacific Companies/BCAHDC) – this project has secured local HOME program funds, and will applied for 4% LIHTC's in the September funding competition. The project is on schedule for delivery in the Fall of 2022. HACB has committed 31 Section 8 project-based vouchers to this project.

Woodward Apts, Orland (36 units, family, The Pacific Companies/BCAHDC) – this project has secured State MHP funding, and is targeting application for 4% LIHTC's in the September funding competition. Like Liberty Bell Apts, the project is also on scheduled for delivery in the fall of 2022. HACB has committed 25 Section 8 project-based vouchers to this project.

HACB's non-profit development instrumentality, BCAHDC, has entered into Memorandums of Understanding with The Pacific Companies for development of two additional properties, one in Chico, the **Oleander Community Housing Apartments**, serving homeless singles and SMI clients, and the first phase of the **Orchard View Apartments**, Gridley, serving families.
