9.) Pets. A statement describing the PHAs policies and requirements pertaining to the ownership of pets in public housing.

PET POLICY

INTRODUCTION

The purpose of this policy is to establish the PHA's policy and procedures for ownership of pets in Public Housing units and to ensure that no applicant or resident is discriminated against regarding admission or continued occupancy because of ownership of pets. It also establishes reasonable rules governing the keeping of common household pets.

This policy does not apply to animals that are used to assist, support, or provide service to persons with disabilities, or to service animals that visit public housing developments.

ANIMALS THAT ASSIST PERSONS WITH DISABILITIES

Pet rules will not be applied to animals that assist persons with disabilities. This exclusion applies to both service animals and companion animals as reasonable accommodation for persons with disabilities. This exclusion applies to such animals that reside in public housing and that visit these developments.

To be excluded from the pet policy, the resident/pet owner must certify:

- That there is a person with disabilities in the household
- That the animal has been trained to assist with the disability
- That the animal actually assists the person with the disability

A. Management Approval of Pets

All pets must be approved in advance of occupancy of the pet by the PHA.

The pet owner must submit and enter into a Pet Agreement with the PHA prior to the occupancy of the pet.

Registration of Pets

Pets must be registered with the PHA before they are brought onto the premises. Registration includes certificate signed by a licensed veterinarian that the pet has received all inoculations required by State of local law, and that the pet has no communicable disease(s) and is pest-free. Registration must be renewed annually and will be coordinated with the Tenants annual reexamination date and Proof of license and inoculation will be submitted at least thirty (30) calendar days prior to annual reexamination.

Dogs and cats must be spayed or neutered.

Execution of a Pet Agreement with the PHA stating that the tenant acknowledges complete responsibility for the care and cleaning of the pet will be required.

Approval for the keeping of a pet **shall not** be extended pending the completion of these requirements.

Owner must supply one clear 3 x 5 photo of dog or cat to be permanently placed in the owner's file for future reference.

Each pet owner must display a "Pet" sticker, provided by the PHA, which will be displayed on the front door or a front window of the unit at all times.

Approval for the keeping of a pet **shall not** be extended pending the completion of these requirements.

Refusal to Register Pets

The PHA may not refuse to register a pet based on the determination that the pet owner is financially unable to care for the pet. If the PHA refuses to register a pet, a written notification will be sent to the pet owner stating the reason for denial and shall be served in accordance with HUD Notice requirements.

The PHA will refuse to register a pet if:

1. The pet is not a common household pet as defined in this policy
2. Keeping the pet would violate any House Pet Rules
3. The pet owner fails to provide complete pet registration information, or fails to update the registration annually
4. The PHA reasonably determines that the pet owner is unable to keep the pet in compliance with the pet rules and other lease obligations. The pet's temperament and behavior may be considered as a factor in determining the pet owner's ability to comply with provisions of the lease.
5. The family is unable or unwilling to comply with Security Deposit increases under PHA policy associated with pet ownership.

The notice of refusal may be combined with a notice of a pet violation.

A resident who cares for another resident's pet must notify the PHA and agree to abide by all of the pet rules in writing.

2. Fumigation of the dwelling unit.
3. Common areas of the project if applicable.

If the tenant is in occupancy when such costs occur, the tenant shall be billed for such costs as a current charge and will have 30 days to pay the charges. If a determination is made on objective facts supported by written statements, that a resident/pet owner has violated the Pet Rule Policy, written notice will be served. The Notice will contain a brief statement of the factual basis for the determination and the pet rule(s) that were violated. The notice will also state:

1. That the resident/pet owner has fourteen (14) business days from the effective date of the service of notice to correct the violation or make written request for a meeting to discuss the violation;
2. That the resident pet owner is entitled to be accompanied by another person of his or her choice at the meeting; and
3. That the resident/pet owner's failure to correct the violation, request a meeting, or appear at a requested meeting may result in initiation of procedures to terminate the pet owner's tenancy.

If the pet owner requests a meeting within the fourteen (14) day period, the meeting will be scheduled no later than three (3) business days before the effective date of service of the notice, unless the pet owner agrees to a later date in writing.

L. Termination of Tenancy

The PHA may initiate procedures for termination of tenancy based on a pet rule violation if:

If the responsible party is unwilling or unable to care for the pet, or if the PHA, after reasonable efforts cannot contact the responsible party, the PHA may contact the appropriate State or local agency and request the removal of the pet.

If the pet is removed as a result of any aggressive act on the part of the pet, the pet will not be allowed back on the premises.

N. Emergencies

The PHA will take all necessary steps to insure that pets that become vicious, display symptoms of severe illness, or demonstrate behavior that constitutes an immediate threat to the health or safety of others, are referred to the appropriate State or local entity authorized to remove such animals. If it is necessary for the PHA to place the pet in a shelter facility, the cost will be the responsibility of the tenant/pet owner.

This Pet Policy will be incorporated by reference into the Dwelling Lease signed by the resident, and therefore, violation of the above Policy will be grounds for termination of the lease.

10.) Civil Rights Certification. A PHA will be considered in compliance with the Civil Rights and AFFH Certification if: it can document that it examines its programs and proposed programs to identify any impediments to fair housing choice within those programs; addresses those impediments in a reasonable fashion in view of the resources available; works with the local jurisdiction to implement any of the jurisdiction's initiatives to affirmatively further fair housing; and assures that the annual plan is consistent with any applicable Consolidated Plan for its jurisdiction.

The PHA will carry out the public housing program of the agency in conformity with title VI of the Civil Rights Act of 1964, the Fair Housing Act, section 504 of the Rehabilitation Act of 1973, and title II of the Americans with Disabilities Act of 1990, and will affirmatively further fair housing.

The PHA is undertaking the following other asset based management activities: Project-based accounting.

The Housing Authority of the County of Butte is exempt from the asset management requirement for the 2009-2010FY.

13.) Violence Against Women Act (VAWA). A description of: **1)** Any activities, services, or programs provided or offered by an agency, either directly or in partnership with other service providers, to child or adult victims of domestic violence, dating violence, sexual assault, or stalking; **2)** Any activities, services, or programs provided or offered by a PHA that helps child and adult victims of domestic violence, dating violence, sexual assault, or stalking, to obtain or maintain housing; and **3)** Any activities, services, or programs provided or offered by a public housing agency to prevent domestic violence, dating violence, sexual assault, and stalking, or to enhance victim safety in assisted families.

PROTECTIONS FOR VICTIMS OF ABUSE

1. An incident or incidents of actual or threatened domestic violence, dating violence, or stalking will not be construed as serious or repeated violations of the lease or other “good cause” for termination of the assistance, tenancy, or occupancy rights of such a victim.
2. Criminal activity directly relating to abuse, engaged in by a member of a tenant’s household or any guest or other person under the tenant’s control, shall not be cause for termination of assistance, tenancy, or occupancy rights if the tenant or an immediate member of the tenant’s family is the victim or threatened victim of domestic violence, dating violence, or stalking.

3. Notwithstanding any restrictions on admission, occupancy, or terminations of occupancy or assistance, or any Federal, State or local law to the contrary, a PHA, owner or manager may “bifurcate” a lease, or otherwise remove a household member from a lease, without regard to whether a household member is a signatory to the lease, in order to evict, remove, terminate occupancy rights, or terminate assistance to any individual who is a tenant or lawful occupant and who engages in criminal acts of physical violence against family members or others. This action may be taken without evicting, removing, terminating assistance to, or otherwise penalizing the victim of the violence who is also a tenant or lawful occupant. Such eviction, removal termination of occupancy rights, or termination of assistance shall be effected in accordance with the procedures prescribed by Federal, State, and local law for the termination of leases or assistance under the public housing program.
4. Nothing in this section may be construed to limit the authority of a public housing agency, or manager, when notified, to honor court orders addressing rights of access or control of the property, including civil protection orders issued to protect the victim and issued to address the distribution or possession of property among the household members in cases where a family breaks up.
5. Nothing in this section limits any otherwise available authority of an owner or manager to evict or the public housing agency to terminate assistance to a tenant for any violation of a lease of a lease not premised on the act or acts of violence in question against the tenant or a member of the tenant’s household, provided that the owner, manager, or public housing agency does not subject an individual who is or has been a victim of domestic violence, dating violence, or stalking to a more demanding standard than other tenants in determining whether to evict or terminate.
6. Nothing in this section may be construed to limit the authority or manager to evict, or the public housing agency to terminate assistance, to any tenant if the manager, or public housing agency can demonstrate an actual and imminent threat to other tenants or those employed at or providing service to the property if the tenant is not evicted or terminated from assistance.

Certification of Domestic Violence, Dating Violence and Stalking

When an individual seeks to assert VAWA’s protections, the PHA may request that the individual provide one of any of the following three types of documentation:

1. A HUD-approved certification form verifying that the individual is a victim of domestic violence, dating violence, or stalking, and that the incident or incidents in question are bona fide incidents of actual or threatened abuse. Such certification shall include the name of the perpetrator; or
2. Documentation signed by an employee, agent, or volunteer of a victim service provider, an attorney, or a medical professional, from whom the victim has sought assistance in addressing domestic violence, dating violence, or stalking, or the effects of the abuse, in which the professional attests under penalty of perjury (28 USC 1746)

to the professional's belief that the incident or incidents in question are bona fide incidents of abuse, and the victim of domestic violence, dating violence, or stalking has signed or attested to the documentation; or

3. A Federal, State, tribal, territorial, or local police or court record.

The individual shall provide certification within 14 business days after the individual receives a written request for such certification from the PHA. If the individual does not provide the certification within 14 business days after the individual has received a request in writing for such certification, the PHA may evict any tenant who commits violations of a lease. The PHA may extend the 14-day deadline at its discretion if good cause is demonstrated.

The PHA is not required to demand that an individual produce official documentation or physical proof of the individual's status as a victim of domestic violence, dating violence or stalking in order to receive any of VAWA's protections. At its discretion, the PHA may provide benefits to the individual based solely on the individual's statement or other corroborating evidence.

Confidentiality

The PHA shall keep confidential any information an individual provides regarding his or her status as a victim of domestic violence, dating violence, or stalking, except if the disclosure is: (1) requested in writing by the individual; (2) required for use in an eviction proceeding; or (3) otherwise required by law. See 42 USC 1437d(u)(2)(A); 42 USC 1437 f(ee)(2)(A).

[VAWA; 42 USC 13925(a)(6), (8); 42 USC 1437f(f)(10); Cal Family Code 6211]

VAWA defines "domestic violence" as felony or misdemeanor crimes of violence committed by:

- (1) a current or former spouse of the victim;
- (2) a person with whom the victim shares a child in common;
- (3) a person who is cohabiting with or has cohabited with the victim as a spouse;
- (4) a person similarly situated to a spouse of the victim under the domestic or family violence laws of the jurisdiction receiving grant monies;

California law defines "domestic violence" as abuse perpetrated against the victim by:

- (1) The victim's spouse or former spouse.
- (2) Someone the victim lives with or lived with in the past.
- (3) Someone the victim is dating or has dated.
- (4) Someone the victim has a child with.
- (5) Someone to whom the victim is related by blood, marriage, or adoption (including the victim's parent, grandparent, child, grandchild, brother, or sister).

VAWA defines "dating violence" as violence committed by a person:

- (1) who is or has been in a social relationship of a romantic or intimate nature with

HOPE VI, Mixed Finance Modernization or Development, Demolition and/or Disposition, Conversion of Public Housing , and Homeownership Programs – N/A

PROJECT BASED VOUCHERS

PHA seeks to establish Project Based Voucher (PBV) program as sub-component of its Section 8 Tenant-based Voucher program. Work with county-wide community-based service providers has revealed a need for community transitional housing capacity, in order that homeless, formerly homeless, and other households be stabilized prior to admission to permanent assisted housing programs. Current voucher admissions policy interrupts households in process of stabilization in community transitional housing programs, admitting families prior to readiness to assume the responsibilities of independent, or supported living. Additionally, specialty service providers seek housing subsidy to support targeted programs for their clients in specific locations where supportive services are available. The PHA seeks to expand supported affordable housing opportunity to some of the county’s most vulnerable populations through implementation of its PBV program in partnership with service agencies and property owners.

8.2 Capital Fund Program Five-Year Action Plan. As part of the submission of the Annual Plan, PHAs must complete and submit the *Capital Fund Program Five-Year Action Plan*, form HUD-50075.2, and subsequent annual updates (on a rolling basis, e.g., drop current year, and add latest year for a five year period). Large capital items must be included in the Five-Year Action Plan.

See attached Exhibit I for HUD-50075.2 Capital Fund Program Five-Year Action Plan.

8.3 Capital Fund Financing Program (CFFP).

☐ Check if the PHA proposes to use any portion of its Capital Fund Program (CFP)/Replacement Housing Factor (RHF) to repay debt incurred to finance capital improvements.

9.0 Housing Needs. Based on information provided by the applicable Consolidated Plan, information provided by HUD, and other generally available data, make a reasonable effort to identify the housing needs of the low-income, very low-income, and extremely low-income families who reside in the jurisdiction served by the PHA, including elderly families, families with disabilities, and households of various races and ethnic groups, and other families who are on the public housing and Section 8 tenant-based assistance waiting lists. The identification of housing needs must address issues of affordability, supply, quality, accessibility, size of units, and location.

9.1 Strategy for Addressing Housing Needs. Provide a brief description of the PHA's strategy for addressing the housing needs of families in the jurisdiction and on the waiting list in the upcoming year. **Note: Small, Section 8 only, and High Performing PHAs complete only for Annual Plan submission with the 5-Year Plan.**

Strategy for Addressing Needs

- Need: Shortage of affordable housing for all eligible populations

Strategy 1. Maximize the number of affordable units available to the PHA within its current resources by:

- Employ effective maintenance and management policies to minimize the number of public housing units off-line
- Reduce turnover time for vacated public housing units
- Maintain or increase section 8 lease-up rates by establishing payment standards that will enable families to rent throughout the jurisdiction
- Maintain or increase section 8 lease-up rates by marketing the program to owners, particularly those outside of areas of minority and poverty concentration
- Participate in the Consolidated Plan development process to ensure coordination with broader community strategies

Strategy 2: Increase the number of affordable housing units by:

- Pursue housing resources other than public housing or Section 8 tenant-based assistance.

➤ Need: Specific Family Types: Families at or below 30% of median

Strategy 1: Target available assistance to families at or below 30 % of AMI

- Adopt rent policies to support and encourage work

➤ Need: Specific Family Types: Families at or below 50% of median

Strategy 1: Target available assistance to families at or below 50% of AMI

- Adopt rent policies to support and encourage work

➤ Need: Specific Family Types: The Elderly

Strategy 1: Target available assistance to the elderly:

- Apply for special-purpose vouchers targeted to the elderly, should they become available

➤ Need: Specific Family Types: Families with Disabilities

Strategy 1: Target available assistance to Families with Disabilities:

- Carry out the modifications needed in public housing based on the section 504 Needs Assessment for Public Housing
- Apply for special-purpose vouchers targeted to families with disabilities, should they become available
- Affirmatively market to local non-profit agencies that assist families with disabilities

➤ Need: Specific Family Types: Races or ethnicities with disproportionate housing needs

Strategy 1: Increase awareness of PHA resources among families of races and ethnicities with disproportionate needs:

- Affirmatively market to races/ethnicities shown to have disproportionate housing needs
- Participate on Hmong Task Force

Strategy 2: Conduct activities to affirmatively further fair housing

- Counsel section 8 tenants as to location of units outside of areas of poverty or minority concentration and assist them to locate those units
- Market the section 8 program to owners outside of areas of poverty /minority concentrations

Reasons for Selecting Strategies

The factors that influenced the PHA's selection of the strategies it will pursue:

- Funding constraints
- Staffing constraints

- Evidence of housing needs as demonstrated in the Consolidated Plan and other information available to the PHA
- Influence of the housing market on PHA programs
- Community priorities regarding housing assistance
- Results of consultation with local or state government
- Results of consultation with residents and the Resident Advisory Board
- Results of consultation with advocacy groups

2. The Plan contains a certification by the appropriate State or local officials that the Plan is consistent with the applicable Consolidated Plan, which includes a certification that requires the preparation of an Analysis of Impediments to Fair Housing Choice, for the PHA's jurisdiction and a description of the manner in which the PHA Plan is consistent with the applicable Consolidated Plan.

8. For PHA Plan that includes a policy for site based waiting lists:
 - The PHA regularly submits required data to HUD's 50058 PIC/IMS Module in an accurate, complete and timely manner (as specified in PIH Notice 2006-24);

 - The PHA shall take reasonable measures to assure that such waiting list is consistent with affirmatively furthering fair housing;
 - The PHA provides for review of its site-based waiting list policy to determine if it is consistent with civil rights laws and certifications, as specified in 24 CFR part 903.7(c)(1).

2009-2010 PHA Annual Plan Resident Comments

Ms. Laurel Blankinship and Ms. Silvia Quezada-Alvarez from Legal Services of Northern California expressed concern regarding using the 51% custody guideline to determine whether children are considered part of the Household. Per Ms. Blankinship and Ms. Quezada-Alvarez, currently court documents very often divide custody 50/50. Therefore, they will come up with a recommendation of appropriate replacement wording and policy for both the Section 8 Admin Plan and the Public Housing Admissions and Continued Occupancy Policy.

Residents recommendations regarding the capital fund was to repair heaving sidewalks and fencing at 43-3 Chico Public Housing. One of the residents suggested that we utilize the PG&E weatherization program since it's no cost to the residents. Comments will be taken under consideration.

In addition to the Resident Advisory Board (RAB), the HACB held meetings regarding the Capital Fund. Two meetings were held at HACB's office in Chico and Oroville.

SOUTH COUNTY PUBLIC MEETING

At our March 26, 2009 public meeting, resident concerns were items at Winston Gardens including flooring in selected units, new windows, and landscaping throughout. Gardella Street residents had some concerns about the street lighting, to be added or increased as well.

We went over the new funding that we have received from the stimulus package that President Obama signed on February 19, 2009. The items that the HACB is planning on utilizing these fund for are remodel ten (10) public housing units to meet full ADA/Title 24 compliance; window replacement at Winston Gardens; HVAC replacement at Rhodes Terrace, Shelton Oak, Gardella and Casey Court; water heater replacement at Rhodes Terrace, Shelton Oak, Gardella and Casey Court; and roof replacement at Rhodes Terrace and Shelton Oaks.

The annual plan was briefly described and the process of approval reviewed. A sign up sheet for members of recruitment for the RAB (resident advisory board) committee to meet with HA staff was initiated due to two future meetings being scheduled.

NORTH COUNTY PUBLIC MEETING

At our March 24, 2009 public meeting, we went over the new funding that we have received from the stimulus package that President Obama signed on February 19, 2009. The items that the HACB is planning on utilizing these fund for are remodel ten (10) public housing units to meet full ADA/Title 24 compliance; window replacement at Winston Gardens; HVAC replacement at Rhodes Terrace, Shelton Oak, Gardella and

Casey Court; water heater replacement at Rhodes Terrace, Shelton Oak, Gardella and Casey Court; and roof replacement at Rhodes Terrace and Shelton Oaks.
