B.2 New Activities.

(a) Does the PHA intend to undertake any new activities related to the following in the PHA's current Fiscal Year?

Y N

- ☐ ☒ Hope VI or Choice Neighborhoods.
- ☐ ☒ Mixed Finance Modernization or Development.
- ☐ ☒ Demolition and/or Disposition.
- ☐ ☒ Conversion of Public Housing to Tenant Based Assistance.
- ☐ ☒ Conversion of Public Housing to Project-Based Assistance under RAD.
- ☒ ☐ Project Based Vouchers.
- ☐ ☒ Units with Approved Vacancies for Modernization.
- ☐ ☒ Other Capital Grant Programs (i.e., Capital Fund Community Facilities Grants or Emergency Safety and Security Grants).

(b) If any of these activities are planned for the current Fiscal Year, describe the activities. For new demolition activities, describe any public housing development or portion thereof, owned by the PHA for which the PHA has applied or will apply for demolition and/or disposition approval under section 18 of the 1937 Act under the separate demolition/disposition approval process. If using Project-Based Vouchers (PBVs), provide the projected number of project based units and general locations, and describe how project basing would be consistent with the PHA Plan.

HACB has discussed use of tenant-based Section 8 HCV rental assistance to support creation of new housing opportunity through development activity. The discussion has been compelled by the lack of housing inventory in the jurisdiction, now estimated at <1.5% overall, and <1% for studio- and 1-bedroom units. The Camp Fire Disaster left an effective zero percent vacancy rate in the County and surrounds – in fact, there are an estimated 18-20,000 persons living in the Chico area that were not there before the disaster.

The Section 8 HCV program has seen a dramatic decline in the success rate of voucher holders seeking housing. As little as a year ago, approximately 25% of voucher applicants saw success in leasing with their vouchers. Now, the expected leasing success rate has declined to a 10-12% success rate. The low success rate is attributable to the lack of housing opportunity. Consequently, participant expectations are raised and dashed, resulting in great frustration, with the program unable to fulfill its affordable housing promise.

Given that about two thirds of those served by HACB historically are elderly and disabled, most of whom require Studio and 1-Bedroom homes, the project-basing of Section 8 vouchers appears the only viable action that will result in the capture of affordable housing inventory and opportunity, particularly for special needs populations.

The following new development opportunities, targeting elderly, disabled, and veteran populations, have been identified and are recommended for inclusion in HACB's Section 8 HCV Administrative Plan, for use of project-based vouchers at properties in which the HACB has an ownership interest:

- Gridley Sunrise Village Senior Housing, City of Gridley and AMG & Associates, 37 units – PBV commitment made subject to award of LIHTC financing.
- Chico Veterans Village Housing, VHDC & UHC Communities, 52 units – PBV commitment made subject to award of VHHP and LIHTC financing.
- Chico Senior and Disabled Housing, City of Chico and CHIP, 100 units

The HACB currently has 2,206 ACC-authorized Section 8 HCV units, 20% of which (435) is the base cap for project-basing of vouchers. The HACB currently administers no (0) Section 8 HCV vouchers committed to project-based assistance. The HACB anticipates project-basing of up to 250 Section 8 HCV program vouchers and 50 HUD VASH vouchers under new development and/or existing property initiatives.

Additionally, in order to develop area housing opportunity for Section 8 HCV participants, the HACB seeks to issue RFP(s) for additional project-basing of Section 8 vouchers, up to its cap for project-basing, at existing and pipeline developments in the jurisdiction, including consideration of HACB's own properties subject to HACB's 2019 Strategic Asset Analysis and Plan effort.

MEMO

To: HACB Board of Commissioners

From: Tamra C. Young, Administrative Operations Director

Subject: Board Adoption:

- 2019-20 One-Year Agency Plan / Capital Fund
- Public Housing Admissions and Continued Occupancy Policy (ACOP)
- Section 8 Administrative Plan (Admin Plan)

As a public agency administering the HUD Public Housing and Section 8 Housing Choice Voucher (HCV) programs, HACB is required to submit to HUD applicable agency and administrative plan documents 75 days prior to the end of the HACB's fiscal year (submission due July 18th). HACB has already taken the following steps:

- April 3rd – HACB conducted a Resident Advisory Board/Capital Fund Public Hearing, inviting Legal Services of Northern California (LSNC) and ninety-three (93) Public Housing and Section 8 participants. Eight (8) of the PH and S8 participants attended, and LSNC did not attend this year due to budget and staffing constraints.
- April 18th – HACB Board of Commissions adopted draft documents, and the required 45-day review Public Comment period was opened.

PH ACOP and Capital Fund

There were no comments received during the 45-review period. Therefore, subject to public comment at the Board meeting, if any, we are recommending adoption of the PH ACOP and Capital Fund as presented at the April meeting.

HACB Annual Plan

Staff is recommending that we increase the number of Project Based Vouchers (PBV) that we may allocate from 227 (previous recommendation) to 250 HCV plus 50 HUD-VASH vouchers, for a total of 300 PBV capacity, in order to have the band-width should development projects arise that would provide the desperately needed affordable housing for our jurisdiction. HACB is allowed to allocate up to 20% of its voucher capacity, or approximately 400 vouchers.

Section 8 Admin Plan

The comments we received this year to the Section 8 Admin Plan related to preference policies (see attached three (3) emails). We have received two (2) requests to increase our Limited Homeless Preference from thirty (30) families to one hundred (100) and one (1) request to increase the Limited Homeless Preference to fifty (50). Currently we are serving ten (10) families with the Limited Homeless Preference. However we are anticipating a significant increase in the number of referrals from local non-profit agencies in this post Camp Fire environment. Therefore, Staff recommends that we increase the Limited Homeless Preference set-aside to seventy-five (75) this year (2019-20) and then to one hundred (100), if needed, the following year (2020-21). Also Staff is recommending that we change the title of this preference from “Limited Homeless Preference” to “Limited Homeless Set-Aside Preference”, in order to difference this preference from the other preferences in the Admin Plan since it works a little differently. The Limited Homeless Preference works as more of a set-aside, where homeless working with Butte County CoC organizations can be added to the wait list at any time, in order to fill the set-aside “spots”. In addition, HACB is recommending that Dos Rios Continuum of Care organizations be added to the list of referral agencies in order to better serve our Glenn County homeless residents.

Finally upon further evaluation of how our recommended preferences would work together, Staff is revising its recommendation on the number of preference points given for two (2) of HACB’s Section 8 Housing Choice Voucher preferences. Staff’s recommendation is to reduce the preference points for a Residency Preference from 10 points (original recommendation) to 5 points and increase the Government Displacement Preference from 5 points (original recommendation) to 10 points. This would allow HACB to continue to assist those displaced by the Camp Fire first, even if they have temporarily re-located to other jurisdictions.

The article “Sonoma County to reform low-income housing voucher system after critical federal review” outlines possible issues related to the proposed Residency Preference. However, please note that HACB’s proposed Residency Preference is based upon City and County of Fresno Housing Authorities’ Admin Plan and HACB’s wait list is not continuously open (like Sonoma). Therefore, HACB will not have the same issues with underserving minorities as Sonoma County is having because everyone on the wait list is served before the wait list is re-opened. HACB strongly recommends that we still add the Residency Preference, at least for the next three (3) years, in order to assist Butte and Glenn County residents as a priority Post-Camp Fire. We can re-evaluate this Preference once the market conditions in Butte and Glenn County have stabilized.

Recommendation: Hold Public Hearing. Receive and file final documents (Agency Plan, Public Housing ACOP and Section 8 Admin Plan) in accordance with the recommendations above by means of adoption of Resolution Nos. 4739 and 4740.
